Dear Bloom Trail Community:

In response to growing concerns over coronavirus (COVID-19), we are cancelling all of our performances of Moana Jr. this weekend. We know that our students, staff, and families have put a lot of time and effort into the show, but we need to act in the best interest of our communities. School districts are receiving guidance from various State agencies daily, and we are acting accordingly. Last night, the IHSA, which oversees athletics and activities across the State, put limits on the number of people who may attend events. We are following their ruling, which led to the cancelation of the play.

At this time, we do not have proposed dates to reschedule the musical. The district is updating our website regularly with information regarding COVID-19. Please check it often for updated information and guidance- [sd206.org](http://sd206.org) or [bloomtrail.org](http://bloomtrail.org).
