March 2022

Dear Bloom Trail Parents/Guardians

Spring testing is just around the corner - please see the information and schedule below:

School-Wide Testing Spring 2022

Wednesday, April 13

SAT with Essay
PSAT 10

juniors
sophomores

Thursday, April 14

ISA (Illinois Science Assessment)
PSAT 8/9

juniors
freshmen

Both days are 1/2 days

April 13 dismissal at: 1:10pm
April 14 dismissal at: 12:45pm

If your student is not testing, he/she does not have to report to school. Freshmen will not report Wednesday, April 13; sophomores will not report Thursday, April 14. Juniors will report both days. Seniors will not report to school either April 13 or April 14. The two days for seniors would be excellent days for solidifying college plans and/or college visits.

The SAT with Essay is the state-mandated assessment for all juniors and serves as the Illinois accountability exam. Taking this test, on a school day, is a requirement for graduation. All students have been well-prepared throughout the year with classroom instruction and individual practice focusing on college and career readiness skills. Encourage your students to do their best; we anticipate great results from them in their test performance.
