Dear Parents and Guardians,

The district recently received a notice about litigation involving the alleged inappropriate actions of a Bloom Trail High School staff member over two decades ago. We cannot discuss this complaint because it is a personnel and legal matter. What we can share is that the safety of our students is our number one priority, and the listed staff member has been placed on administrative leave while the District conducts a thorough investigation.

If any student has concerns about their safety, we strongly encourage them to report those concerns to our Bloom Trail administrative staff immediately.

Principal Glynis Keene
